'Thank you SO much again for the beautiful flowers at our surprise wedding this past weekend!!! We can't even express how much we adored the crowns, bouquets and arrangements. They were far beyond what we could have imagined and honestly were such a big part of making the day what it was... the best of our lives! Everyone has commented on how beautiful they were. You went above and beyond for us, coming early to set up and then making sure the bouquets were dry for the big moment and everything was perfect. You made our vision into a reality that we couldn't even see ourselves! We couldn't be more grateful, thank you so much.' - Steph
