CONSTRUCTION YOU CAN TRUST

TOUGH FRAME

Jayco's vacuum-bonded quad-layer wall construction technology is both stronger and lighter than the conventional 'timber & tin' aluminium-clad walls. Built on lightweight aluminium frame for extra strength and longevity, Tough Frame provides great thermal and acoustic insulation. The furniture in your Jayco Motorhome is built on our patented aluminium frame for strength and durability.

- 1 Hail and dent resistant, aerodynamic fibreglass exterior with high gloss finish.
- 2 External 3mm plywood board to increase structural strength.
- 3 Aluminium frame - not timber - for extra strength, plus galvanised plating for secure fitment of internal furniture.
- 4 Internal high-density polystyrene foam for superior insulation.
- 5 Internal 3mm plywood board CE coated for maximum durability.

ALUMINIUM FRAME

The furniture in your Jayco Motorhome is built on our patented aluminium frame for strength and durability.

UNRIVALLED COMFORT

Jayco continues to lead the way for Australian RV manufacturing and design and in 2020 the vision remains steadfast – maximise comfort through superior design, the Jayco way.

Uncompromised comfort is showcased throughout our 2020 ranges and is brought to life through innovative design and quality materials.

Jayco continues to innovate Australia's RV industry with an aspiration for Jayco RVs to stand the test of time. This includes style which incorporates design influences from Australia and Europe.

This is unrivalled comfort and superior design – the Jayco way.

SAFETY YOU CAN RELY ON

ANTI-LOCK BRAKE SYSTEM (ABS)

ABS helps to avoid skidding during emergency stops.

360-DEGREE CAMERA*

New 360-degree cameras: there are no blind spots when towing and parking – a world-first in a production RV.

* Optimum only

TRACTION CONTROL

ESC corrects for oversteering or understeering of the vehicle by applying the brake of the appropriate wheel in extreme driving conditions for improved control and stability.

ENGINE IMMOBILISER

A state-of-the-art anti-theft system prevents the engine from running unless the correct car key is used.

THE JAYCO DIFFERENCE.

Jayco is Australia's leading RV manufacturer and for 45 years has pioneered the RV and caravan industry in Australia, resulting in Jayco being one of the country's most recognised brands known for its innovation advancements in creating quality and affordable recreational vehicles.

AUSTRALIAN MADE

Designed and built by Australians, for Australians to take on the Australian terrain, all Jayco RVs proudly wear the Australian-made logo.

BETTER VALUE

As the largest Australian RV manufacturer, Jayco has a great buying power and passes the savings on to our customers, delivering more features for less.

GREAT RESALE VALUE

Jayco RVs keep their value exceptionally well and are considered to be a long-term investment.

LARGEST SUPPORT NETWORK

No matter where your adventure takes you, Jayco's extensive service network will be nearby to assist in the unlikely event a priority repair is required. With 126 National Jayco Service Agent Representatives located around Australia, the expertise or spare parts you need are never far away to help and is the most comprehensive RV service offering in Australia. Jayco's assist service is with you every step of the way. That's motorhoming, the Jayco way.

FINANCE THE DREAM

Financing your next adventure is easy and Jayco offers a number of finance options through Jayco Financial Services. This means we can provide a variety of loan options such as flexible loan terms from one to seven years, competitive finance deals, quick and easy approval, all supported by Jayco's exceptional customer service.

INSURANCE

Jayco Platinum Insurance provides competitive premiums and market leading cover that is available at all Jayco dealerships or can be accessed online providing an easy to use and quick quoting portal. Whether you take your caravan on short holidays or year long travels, we can tailor a policy to suit your caravanning needs.
