

# FOOD *by DESIGN*

PETER ROWLAND

**IN BRIEF**

# FOOD WITH FLAIR

*Whether it's a cocktail celebration or a pop up activation, a lavish banquet or enthralling food installation, our team of experienced chefs and food designers can create engaging gourmet experiences. Imagination is the only limitation...*

## **ART** *on a plate*

Our menus use carefully curated ingredients, are lovingly prepared & beautifully presented – from delicate canapés to decadent desserts.

## GLOBAL ROAMING

*Food trends from around the world, inspirations from fashion, architecture & design.*

## Sensory JOURNEY

Street food stalls, cooking stations or a collection of food trucks and pop up bars, let your guests chill out over grab and go morsels or enjoy the sights, sizzle and aromas of food prepared before their eyes.

## CLASSIC

*is always in favour*

Sometimes the simple things are best, and we revel in bringing PRC panache to the classics.

Our chicken sandwiches have become legendary.

## SERVICE WITH STYLE...

Add a generous dose of drama for extra panache.

## EYE FOR DETAIL...

*Creations on custom designed platters or presented with a flourish.*

## CORPORATE TAKE OVER...

Power breakfasts, morning and afternoon teas or board room lunches. We'll take care of your busy delegates.

# MENU

*Impress, delight, refuel and tantalise your guests with our new season menus designed for cocktail celebrations, conferences, dining affairs and breakfasts – or let us create something completely bespoke to suit the occasion...*
