TUCK'S RIDGE

A large, rustic wooden swing bench hangs from the branches of a large tree. The bench is made of thick wooden planks and is suspended by four metal chains. It is positioned in a grassy area, and in the background, there is a lush green vineyard with rows of grapevines. Beyond the vineyard, a golf course is visible with several white sailboats on the water. The scene is bathed in warm, golden light, suggesting a late afternoon or early morning setting.
