

MOTORHOMES
2019 SERIES

WELCOME TO OUR NEW 2019 RANGE

This is one of the most exciting times in our 44-year history. Jayco is known for innovation and taking motorhome design and your holiday relaxation to the next level. This year, we are proud to introduce to you a range of technology-led features that are designed to enhance your holiday.

We've listened to our owners and partnered with exciting market-leading technology innovators such as Amazon and BMPRO to make the operations of your motorhome effortless. Lights are switched on by voice commands; awnings can be operated from your smartphone - our clever solutions will help you enjoy your downtime even more.

Some of the new features are optional on our campervan and Conquest motorhome ranges, but take a look at the new Optimum range – the world's first voice-activated production RV. Ask us about RVConnect – Jayco's exclusive collection of technology options that enhance your lifestyle: style and comfort effortlessly executed.

We have taken our inspiration for this year's interiors from the landscapes of Australia, providing a soothing backdrop for any great Australian road trip, large or small.

When you buy a Jayco, you can relax – it's full of engineering expertise. All our products are designed by Australians, made locally with the challenging Australian conditions in mind.

As life takes you on the road, let Jayco be your partner in adventure with your choice of our new 2019 Motorhome range.

Enjoy.

JAYCO CAMPERVANS

Ideal for solo trailblazers or dynamic duos, the Jayco campervan lets you travel light to get you to where you want to go. Perfect for those wanting the features of a motorhome in a smaller RV, campervans have everything you need tucked away and ready to go.

Built in a Fiat or a Mercedes van, Jayco campervans are compact and can be parked easily in a van-sized parking spot. And you do not require a special license to drive it, a standard driver's license will suffice.

All Jayco campervans come standard with safety features such as electronic stability control, ABS and rear parking sensors.

LATEST TECHNOLOGY: Parking package with 360-degree camera is available on MS.22-2 model.

OPTION UP: Add a nudge bar for added protection for the front of your campervan. And with an optional tow bar, you can take a trailer or a small car with you.

"It's hard to express the feeling of owning a freedom machine like Frankie Dean (FD19). It's knowing the adventures that await us and loving that sense of anticipation. Knowing that we will have more time to do the things we love and that connect us."

Hayley Rochford, hellofrankiedean.com, SA

BEST THINGS COME IN SMALL PACKAGES

Travel in comfort across the countryside for adventures that memories are made of. Sleeping two adults, a campervan is a home away from home with no compromise on space. Standard features include an awning, ensuite, kitchen with the 85-litre fridge and air conditioner, so you're never far from creature comforts.

The contemporary interior features durable UV-resistant fabrics in neutral tones, inspired by the Australia's organic and earthy landscape hues.

Equipped with JHub control panel, conveniently manage your Jayco campervan's onboard features: air-conditioning, lights, hot water, batteries and never be caught short.

LATEST TECHNOLOGY: New in 2019, JHub is now also available in a phone app.

Jayco campervans: motorhome lifestyle and creature comforts packed in a smaller RV.

Modern and cosy interiors in neutral tones feature commercial-grade, highly durable fabrics.

MORE FEATURES FOR LESS

Wind-out box awnings come standard in all Jayco campervans.

GO OFF GRID

Solar panel will keep your batteries charged when no power is available.

EXCLUSIVE TO JAYCO

BMPRO battery management system prevents the battery from being overly discharged. And with the new JHub phone app you'll always know how much power you are using and how much is left.*

More features for less.

JAYCO CONQUEST

If you are longing for an adventure without the premium price tag, this lightweight and self-contained RV is the right choice. Built on a reliable Renault or Fiat AL-KO chassis, it has the power when it counts and is a pleasure to drive.

Jayco's market-leading Tough Frame provides great thermal and acoustic insulation. Combining vacuum-bonded quad-layer walls and lightweight aluminium frame, Tough Frame walls are light and strong. The outer layer is made of hail- and dent-resistant fibreglass.

Jayco Conquest motorhome makes your dream holiday more affordable than ever: it is packed with all the functionality and features you'll need on your travels. The benefits keep rolling with this motorhome, which comes standard with inclusions such as a rooftop solar system to power appliances on board, air conditioning and an electric awning.

OPTION UP: Extras like nudge bar or bull bar will protect your Jayco Conquest motorhome from minor accidents.

"We have been doing a lot of Spartan races this year, and to be able to take our home (our Jayco motorhome) with us has been sooo amazing. We have everything we need to just set up, sleep and race!"

Amanda Williams, NSW

GREAT VALUE, FULL OF FEATURES

Your dream lifestyle starts here. Explore the great outdoors without leaving home comforts.

Cooking is a joy in the large kitchen equipped with four-burner gas stove and 171-litre fridge. The generous ensuite in Jayco Conquest motorhome is fitted with a 3.3 kg washing machine[^] so you can do your laundry in private whilst on the road.

For downtime, enjoy the 24" TV and entertainment system and luxuriously large seating. The modern interior features durable UV-resistant fabrics in earthy hues - a perfect backdrop for adding your own flair to your second home. Or upgrade to genuine leather interior for that ultimate luxury experience.

CLEVER SOLUTIONS: electric lift-up bed drops from the ceiling at the push of a button and is stored away, giving you ample living space (N/A FA.25-6).

EXCLUSIVE TO JAYCO: with the JControl panel, conveniently manage your Jayco Conquest's lights, solar and batteries. In 2019, you can monitor your motorhome's power and water levels* in a new phone app, JHub.

Large kitchen is well equipped; spacious lounge with plenty of legroom can be upgraded to leather.

Generous ensuite with separate shower and toilet for self-contained living.

The large seating area with lots of legroom can be upgraded to genuine leather for ultimate luxury.

Generous 171-litre 3-way fridge is very quiet and runs on LP gas, 12 V DC or 240 V mains power.

Great value for money.

JAYCO CONQUEST DX

An ideal choice for the experienced traveller and newcomer alike, the Jayco Conquest DX boasts plenty of extras that make our most popular range of motorhomes a great value for money.

Atop the purpose-built chassis by Fiat AL-KO or Iveco sits the sleek and stylish full fibreglass cabin. Built with the Jayco Tough Frame technology, the Jayco Conquest DX is both durable and lightweight for easy handling and fuel economy.

Your safety is paramount: all Jayco Conquest DX models are fitted with Electronic Stability Control system, rear-view cameras, ABS and front air bags. The Iveco models also feature side airbags.

OPTION UP: Include a satellite dish so you never miss a TV event, diesel heater for extra warmth, nudge bar or a tow bar for extra protection of the front of the van.

*"Our Jayco Conquest DX is as comfortable as our home.
We just love being out in it."*

Derek Bullock, QLD

FOR THOSE WHO KNOW WHAT THEY WANT

Discovering the outdoors has never been more enjoyable. The DX in Jayco Conquest DX stands for 'deluxe' and it's easy to see why.

This superior motorhome isn't shy to show off its benefits: from the spacious living layout, full ensuite, feature-packed kitchen with roomy European-style drawers, to even a washing machine - it's hard to imagine how Jayco Conquest DX could be improved.

And when you just want to relax, the 24" TV and entertainment system are there for quality downtime.

The clever slide-out section creates more space when you need it and conveniently slides back in for driving. Slide-out is just one of the features controlled with JHub, Jayco's exclusive portable tablet with upgradable software: operate electrical features, check battery status, manage water and power consumption so you're never caught short.

NEW IN 2019: Download our new exclusive phone app JHub and monitor your Jayco Conquest DX onboard features within Bluetooth range.

THE ULTIMATE COMFORT: Looking for a good night sleep? Latex pillow-top mattresses will have you well-rested and always ready for exploring.

Rediscover the joy of driving with safety: ABS, ESC, air bags and rear-view cameras are standard.

Deluxe living in Jayco Conquest DX with electric slide-out, full ensuite and plenty of storage.

An awning that rolls out at a push of a button – what could be easier?

With 3.3 kg washing machine you'll never have to hand wash on the road again.

171-litre 3-way fridge will keep food fresh and drinks cold.

Latest technology for self-contained living.

JAYCO OPTIMUM

Jayco Optimum motorhome raises the bar of luxury to the highest levels and represents the ultimate in on-the-road comfort and style. The sleek interior will turn many a head as you travel in supreme comfort, with the reliability and power of Iveco turbo diesel chassis.

Built with Jayco Tough Frame construction technology, Jayco Optimum's body is finished in hail- and dent-resistant fibreglass with high gloss finish. Its streamlined modern look is bound to stop traffic. With so much attention, you may need the engine immobiliser, a state-of-the-art anti-theft system – luckily it is a standard feature on Jayco Optimum motorhome.

WORLD-FIRST: With new 360-degree cameras, there are no blind spots when driving and parking your Jayco Optimum.

NEW IN 2019: Nautilus instant hot water system means you will never run out of hot water again!

“Across the Nullarbor to visit grandies. Love the full-size shower and fridge/freezer, and lots more. Our Jayco Optimum (Ivy) works for us as we have made her into our home. We have family here where we live, in SA and WA. Say no more, we love to travel.”

Dorothy Ferguson, TAS

ULTIMATE LUXURY AND TECHNOLOGY INNOVATION

Jayco Optimum motorhome is unrivalled in luxurious features for getaways in superior comfort.

At the heart of the Jayco Optimum 2019 is the seamlessly integrated technology for intuitive, effortless living, Jayco RVConnect:

- ▣ In a world-first, Jayco Optimum is fitted with Amazon Alexa, your very own virtual assistant. Tomorrow’s weather for your hike – sorted. Music for ambience – playing now. Change TV channel – done.
- ▣ Wi-Fi extender captures signals within a significantly increased range and provides maximum security and mobile internet speed with 4G capability.
- ▣ App-operated electric awning rolls out with just a touch of a button on your phone.
- ▣ Exclusive JHub portable tablet and now a phone app provide complete transparency of the onboard features.*

With 216-litre fridge, full-sized pot drawers, dishwasher, washing machine, 32” TV and genuine leather upholstery, you’d be forgiven for thinking you’re in a luxurious holiday home of your own.

IV.29-5

JAYCO CONSTRUCTION

Tough Frame

Jayco motorhomes boast market-leading vacuum-bonded quad-layer wall construction technology. Built on lightweight aluminium frame for extra strength and longevity, Jayco's Tough Frame provides great thermal and acoustic insulation and is finished in high-gloss fibreglass that is hail- and dent-resistant.

Aluminium frame

The furniture in your Jayco motorhome is built on our exclusive aluminium frame for strength and durability.

SAFETY YOU CAN TRUST

Electronic Stability Control (ESC or ESP)

ESC corrects for oversteering or understeering of the vehicle by applying the brake of the appropriate wheel in extreme driving conditions for improved control and stability.

Anti-Brake System (ABS)

ABS helps to avoid skidding during emergency stops.

Engine immobiliser

A state-of-the-art anti-theft system prevents the engine from running unless the correct car key is used.

Rear-view camera

A driving aid that provides a wide, detailed view on the screen, with reference lines to help identify the distance from obstacles. It activates automatically when reverse is engaged.

OPTIONAL FEATURES

STANDARD IN OPTIMUM

Diesel heater[^] is indispensable on cool days to make your RV as warm and cosy as your home.

The external picnic table[^] is perfect for enjoying meals outside.

Non-slip alloy side steps[^] for easy entry.

High-strength alloy bull bar provides maximum front-end protection for your motorhome.

External showers[^] are ideal for rinsing off sandy feet before getting inside.

Strong, low-profile alloy nudge bar for added protection for the front of your motorhome.

SILVERLINE ONLY

2x 160 W solar panels[^] will keep your batteries charged for extended trips off grid.

WHY BUY JAYCO?

Buying a new van, trading in or servicing the one you have, for 44 years, Australians have trusted Jayco with their holiday memories.

NATIONWIDE SUPPORT

With 29 authorised Jayco dealers and 100+ service agents around the country, Jayco's support network is the most comprehensive in Australia.

AUSTRALIAN MADE

Designed and built by Australians, for Australians to take on the Australian terrain, all Jayco RVs proudly wear the Australian-made logo.

BETTER VALUE

As the largest Australian RV manufacturer, Jayco has a great buying power and passes the savings on to our customers, delivering more features for less.

JAYCO CARE

Jayco's industry-leading customer care comprises of 2-year manufacturing warranty and 5-year structural warranty. Each new Jayco RV comes with complimentary 3 years of 24/7 Jayco Roadside Assist for peace of mind.

GREAT RESALE VALUE

Jayco RVs keep their value exceptionally well and are considered to be a long-term investment. To help you get the best value, list your Jayco for free on jayco.com.au.

ABOUT JAYCO

Proudly Australian Made

For 44 years, Jayco has been helping Australians to have the best caravanning and camping adventures. Caravans and camper trailers, motorhomes and campervans, pop tops, off-road caravans and toy haulers – there's a Jayco for everyone.

Jayco is Australia's largest recreational vehicle (RV) manufacturer. Our vision is to lead the way in RV innovation, not only in Australia but on the global stage. We listen and respond to what our customers need in their RVs to make their holidays effortless.

Every aspect of a Jayco RV is engineered and validated by our Victoria-based Research & Development team. As part of the Jayco Testing Programme, our innovative products undergo weeks of testing in lab and real-life conditions before being released to market.

All our products are designed by Australians, with the harshest Australian conditions in mind. Each Jayco is proudly made in Australia, in our state-of-the-art factory in Dandenong, VIC.

Australia's most recognised brand for quality and affordable RVs, Jayco is a great success story of Australian manufacturing. Employing over 1,000 people, Jayco continues as a locally-owned family business.

"It's clear that Jayco is one of Australia's most impressive manufacturers and takes great pride in producing a range of the highest-quality products. We are just as proud to have the Jayco brand aligned with the Australian Made logo." – Ben Lazzaro, Chief Executive, Australian Made Campaign Ltd
