Lightweight Touring Caravans with...

⊕ 2 Year Water Ingress Warranty

⊕ Super Light Towing Weights from 830kg

⊕ Australian Approved for Australian Roads

The Caravelair Antarès offers a range of unique and exclusive layouts fully specified for the Australian caravan market. Since their launch they have undergone a substantial specification make-over, further enhanced for the 2018 season. These desirable models are lightweight, compact, chic and easy to tow.

This range is the bright new star for 2018, offering caravanners the opportunity to purchase a new touring caravan at an affordable price, with finance packages to suit every pocket.

All Antarès models are both Australian Approved and achieve Grade III insulation for use in all climates. Additionally, every 2018 Antarès comes with a 2 year water ingress warranty and an AL-KO AKS 3004 stabiliser for safer towing, so you are fully equipped for your family holidays.

Manufactured by French leisure company, Trigano VDL, the Caravelair Antarès range is fully equipped to Australian tastes and is available exclusively from CARLIGHT. Based in metropolitan Sydney, CARLIGHT has been selling caravans and trailers since 2006.

⊕ Key Features & Benefits

AL-KO AKS 3004 Stabiliser

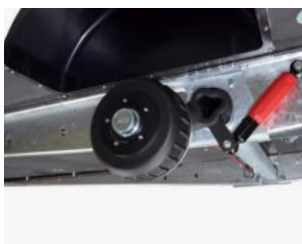

Fitment of the AKS 3004 stabiliser significantly improves the smoothness of a journey and provides the driver with the confidence and control required to handle critical driving situations.

Australian Approved for Australian Roads

Your Caravelair Antarès caravan:

- Has been rigorously tested
- Is safe & legal for use on Australian roads
- Is certified safe for you & your family.

AL-KO Shock Absorbers

The innovative AL-KO Shock Absorbers provide superior levels of ride comfort and road holding characteristics, whilst improving general stability of the caravan and making your journey more enjoyable.

Comfort Plus Mattress

Rest and sleep comfortably on your holiday with a foam mattress designed using the latest technologies in the bed market (Exc 335/406). Featuring:

- An anti-dust mite cover
- 100% compliance with foam mattress health and safety regulations
- Free from harmful substances

2 Year Water Ingress Warranty

Caravelair take special care in manufacturing their products; this is why they offer a 2-year water ingress warranty (subject to terms & conditions).

Exterior Battery Box

With a reinforced plastic tray providing safe and easy access to your power supply.

Exterior BBQ, Water & Electric points

Dine al fresco with the family by easily connecting your external BBQ or electric grill.

Grade III Fully Insulated

Enjoy the perfect climate 365 days a year. All Caravelair Antarès models have successfully achieved the Grade III classification for heating and thermal insulation.

Robust Front and Rear Corner Stabilisers

The fitting of heavy-duty front and rear corner stabilisers achieves maximum stability to enjoy the living environment in your caravan.

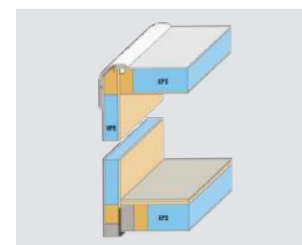

SEITZ Windows

Privacy and security are important and that's why we have fitted SEITZ windows with high quality pleated privacy blinds and flyscreens.

Truma Combi 4 water & heating system

Truma Combi 4 combines two functions in one appliance: space and water heating. The especially lightweight, compact heater ensures pleasant temperatures for your caravan with low energy consumption.

Innovative Construction

Your Caravelair Antarès is constructed using a mixture of GRP and insulating XPS panels resulting in a caravan that offers greater resistance to impacts, scratching and is more thermally effective.

⊕ Specification

EXCEPTIONAL VALUE LIGHTWEIGHT CARAVAN

GRP and XPS Construction

The 2018 Caravelair Antarès range has been constructed using innovative manufacturing techniques and advanced GRP and XPS materials. The result is that the body shell is not only resilient, low weight and contemporarily styled but also more thermally effective.

WHAT ARE THE ADVANTAGES?

Easier Maintenance – The caravan surface is sturdy and easy to clean.

Better Insulation – The caravan bodyshell is an integral part of the insulation system. It provides better performing acoustics, thermal insulation and absorption from noise such as rain and hail.

Greater Resistance – The hardness of the surface offers a greater resistance to impacts and scratching as well storms and hail.

Comfort Plus Mattress

- Thermo-regulating mattress
- Cotton and polyester fabrics
- Quilted wadding 300 gr/m²
- Fully reversible
- Anti-dust mite
- CertiPUR environmentally friendly foam

"... the low weight, generous payload and good specs make it a great choice for anyone new to caravanning."

Practical Caravan Magazine

Who are Caravelair?

Caravelair have been producing caravans since 1962 and are number one in the French market for the supply of caravans; that are not only attractive and functional, but guarantee enjoyable family holidays with an excellent quality-price ratio.

Part of the Trigano Group, Caravelair caravans are manufactured at a 200,000m² site located in the heart of the Rhone Valley vineyards in France.

CARLIGHT work closely with Caravelair to produce an exclusive range of highly equipped caravans that come approved for the Australian market.

- ✓ A caravan that has been rigorously tested
- ✓ Is safe & legal for use on Australian roads
- ✓ Has met all the Australian approval standards
- ✓ Is certified safe for you and your family

CARLIGHT are the sole distributor of this exclusively specified Caravelair brand in Australia, which is sold by over 190 partners globally.

Fully equipped to Australian tastes for 2018, this lightweight caravan range is set to be the bright new star on the caravan market this season.

⊕ **Warranty**

For your peace of mind

All Caravelair Antarès models are covered by a 12 month manufacturer's warranty and a two year water ingress warranty.

12 Month Caravelair Manufacturers Warranty

Caravelair will repair or replace any genuine parts that are defective in material or workmanship with the same or equivalent parts, within the warranty term, and without charge to the owner.

2 Year Water Ingress Warranty

Caravelair take special care in manufacturing their products, and this is why they offer a two-year water ingress warranty.

For full warranty details, please visit:

www.caravelair.com.au/warranty

Note: The benefits given to you in this manufacturer's warranty are additional to, and do not detract from, any rights and remedies that you may have under Australian consumer protection laws.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an order by Caravelair or CARLIGHT. It's the continual policy of Caravelair to seek to improve their caravans in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Caravelair or CARLIGHT reserve the right to alter the specifications and price at any time without prior notice. Caravelair design its caravans to provide a variety of potential uses for its customers. Each caravan features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Bedding and "dress" items shown in photography are used for illustrative purposes only and are not part of the specification. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Effective 31 January 2018.
