

ZONE **RV**

WINNER OF 'BEST AUSSIE VAN'

THERE'S ONLY ONE AUSTRALIAN CARAVAN IN A ZONE OF ITS OWN

"While many caravan manufacturers are adopting elements of new technology to build their vans, none appears to have done as much as Queensland's ZONE RV to incorporate high-tech design and manufacturing processes into the build of their vans."

- Phil Lord, Caravan World 'Best Aussie Vans' Judge

> 100% TIMBER-LESS

> INDUSTRY LEADING LOW TARE WEIGHTS

> FIBERGLASS COMPOSITE SANDWICH
PANELS (PATCH REPAIRABLE)

> FRAMELESS, MONOCOQUE CONSTRUCTION

> PURPOSE-BUILT CHASSIS & DRAWBAR
ENGINEERED FOR OPTIMAL STRENGTH &
SAFETY

> HIGHEST THERMAL PROPERTIES

> CUSTOMER CENTRIC

> MARINE HERITAGE INSPIRED
TECHNOLOGY

> INDUSTRY LEADERS IN SAFETY &
INNOVATION

INTRODUCING ZONE RV 2.0

ZONE RV has a reputation for being the lightest and strongest caravan on the market, and now it's about to get even LIGHTER and STRONGER.

- Refined to achieve weight reduction and increase strength across all ranges.
- New chassis design incorporating laser cut and folded engineered components.
- Lighter and more durable new cabinetry system, using a combination of laminate and fiberglass composite sandwich panel interior components, leaving an impeccable visual finish. Still 100% timber-less and exclusive to ZONE RV.

OFF-ROAD SERIES

> Z-16.6 > Z-18.6 > Z-20.6 > Z-21.6 > SLIDE-OUT

> The Z-20.6 Off-Road model won *Caravan World's* 'Best Aussie Van 2016' within the \$100K+ category.

> Enjoy safer towing due to industry leading low tare weights, electronic stability control & reverse cameras.

> 16" wheels & low all-terrain tyres (includes 1 x rear mounted spare tyre).

> 12" brakes on Vehicle Components off-road suspension (air-bags optional).

> Lightweight, galvanised & RAPTOR coated RHS DuraGal steel chassis (150 x 50 x 3mm main chassis rails and 50mm riser).

> 400W roof-mounted thin-line solar panels, 200L of fresh water storage (Z-16.6 has 100L) & 100L of grey water storage.

> Large tool box with incorporated generator slide, stone guard & rear bar.

> Queen size bed & fold-down dining table to create a single bed.

> 2 x standard 120 amp AGM Deep Cycle batteries.

> 190L compressor fridge/freezer with unique sealed venting & heat extraction system.

WHAT OUR ZONERS SAY...

"I firmly believe if you're not in the ZONE, then you're not in the future of caravanning."

- Evan & Karen Young, Z-20.6 Off-Road Slide-Out Owners (WA).

FAMILY SERIES

> ZF-18.6 (coming soon)

> ZF-20.6

> ZF-22.6

> Keep the family safe with industry leading low tare weights, electronic stability control & reverse cameras.

> 16" wheels & low all-terrain tyres (includes 1 x rear mounted spare tyre).

> Vehicle Components independent off-road suspension (air-bags optional).

> Lightweight, galvanised & RAPTOR coated RHS DuraGal steel chassis (150 x 50 x 3mm main chassis rails and 50mm riser).

> 400W roof-mounted thin-line solar panels, 200L of fresh water storage & 100L of grey water storage.

> Large tool box with generator slide, stone guard & rear bar.

> Queen size bed, fold-down dining table to create a single bed & double-bunk (optional upgrade for triple-bunk).

> 2 x standard 120 amp AGM Deep Cycle batteries.

> 190L compressor fridge & freezer with unique sealed venting & heat extraction system.

> Full ensuite with isolated toilet/shower & washing machine.

WHAT OUR ZONERS SAY...

"After spending over 12 months researching, visiting countless factories and caravan shows, we were blown away by ZONE RV's design and build quality."

- Terry & Sharen Donovan, Z-20.6 Off-Road Owners (VIC).

VENTURE SERIES

THE ULTIMATE TOURING AND DIRT-TRACK CARAVAN IS COMING THIS AUGUST 2017_

> ZV-18.6

> ZV-20.6

> ZV-21.6

> Designed and built for those who don't intend on going off-road or remote travelling, but still want peace of mind while veering from bitumen.

> Encompassing all of the manufacturing technology and strength of ZONE RV's famous Off-Road Series, the Venture Series differentiates with its 'stripped back' specifications to further reduce weight and maximise the essentials for its intended purpose.

> Generous payload with up to 1,200kg standard.

> 17" wheels & low profile tyres (includes 1 x under mounted spare tyre).

> Vehicle Components CRS-Coil dual axle suspension.

> Lightweight, galvanised & RAPTOR coated RHS DuraGal steel chassis (Chassis: 100 x 50 x 3mm main chassis rails & no 50mm riser). 100mm lower than the Off-Road Series.

> 100W roof-mounted thin-line solar panels, 1 x 120 amp AGM Deep Cycle battery, 100L of fresh water storage & 100L of grey water storage.

WHAT OUR ZONERS SAY...

"ZONE RV really stands out from the rest with its product, innovation and personal communications."

- Ash Cook, Z-20.6 Off-Road Owner (NSW).

LIFE IN THE ZONE

> NATIONAL CUSTOMER DATABASE > ZONERS FORUM > NEVER ENDING CUSTOMER SERVICE

THE ZONE FAMILY

As each caravan is built-to-order, we're with you every step of the way, from planning to production, to after-sales service – which never ends. Because after all, we're family. Every ZONE RV comes with a three year comprehensive manufacturer's warranty. With a nationwide service network, ZONE RV owners (Zoners) travel in confidence knowing they have back-up and support with a nearby service department, open seven days.

> 3 YEAR COMPREHENSIVE MANUFACTURER'S WARRANTY > 5 YEAR CHASSIS WARRANTY

WHAT OUR ZONERS SAY...

"From the very first contact with ZONE RV, we have had an incredible journey. The after sales service is exactly the same as the pre-purchase experience and we could not recommend ZONE RV highly enough."

- Colin & Cheryl O'Reilly, Z-18.6 Off-Road Owners (NSW).

OUR STORY

ZONE RV was founded by ex-luxury yacht builders David Biggar and Matt Johns, who identified the need for improved technology, design and operating efficiencies in the caravan industry. Together, our team harness 25 years' experience in true composite manufacturing across the marine, aeronautical and civil construction industries. This heritage, combined with world-class innovation and passion, has set a new benchmark for caravan manufacturing standards in Australia. Our team of passionate individuals share the same vision - to keep ZONE RV at the forefront of the caravan industry.

> SKIP THE DEALER

> BUILT TO ORDER

> DEAL DIRECTLY WITH KEY PERSONNEL ONLY

The ZONE RV product is at a high standard that can't be represented appropriately through dealer networks, which is why you will only ever deal with key members from the ZONE RV team. This ensures our product is being communicated as best as possible to our customers and the highest level of service is delivered. All of our caravans are bought and built direct from our manufacturing facility in Coolum Beach, QLD. As we now have a national database of customers, there are opportunities to view a ZONE RV in person, without having to travel to QLD.

BOOK A FACTORY TOUR

Our factory tours are essential for understanding why our manufacturing facility is like no other. To see Australia's leading caravan design and manufacturing technology in action, book a factory tour today. **Appointments are mandatory and must be confirmed prior to factory arrival.**
