

Caravans

2020 SERIES

Adventure awaits...

Welcome to Jayco's 2020 range; in our 45th year innovation still remains at the forefront of the seven product ranges Jayco offers you, with each range ready to take you off on your next adventure.

Jayco's 2020 range illustrates how we have honed our innovation expertise to focus on three core developments – to improve connectivity, safety and security all achieved by uncompromising comfort and style that Jayco products are known for.

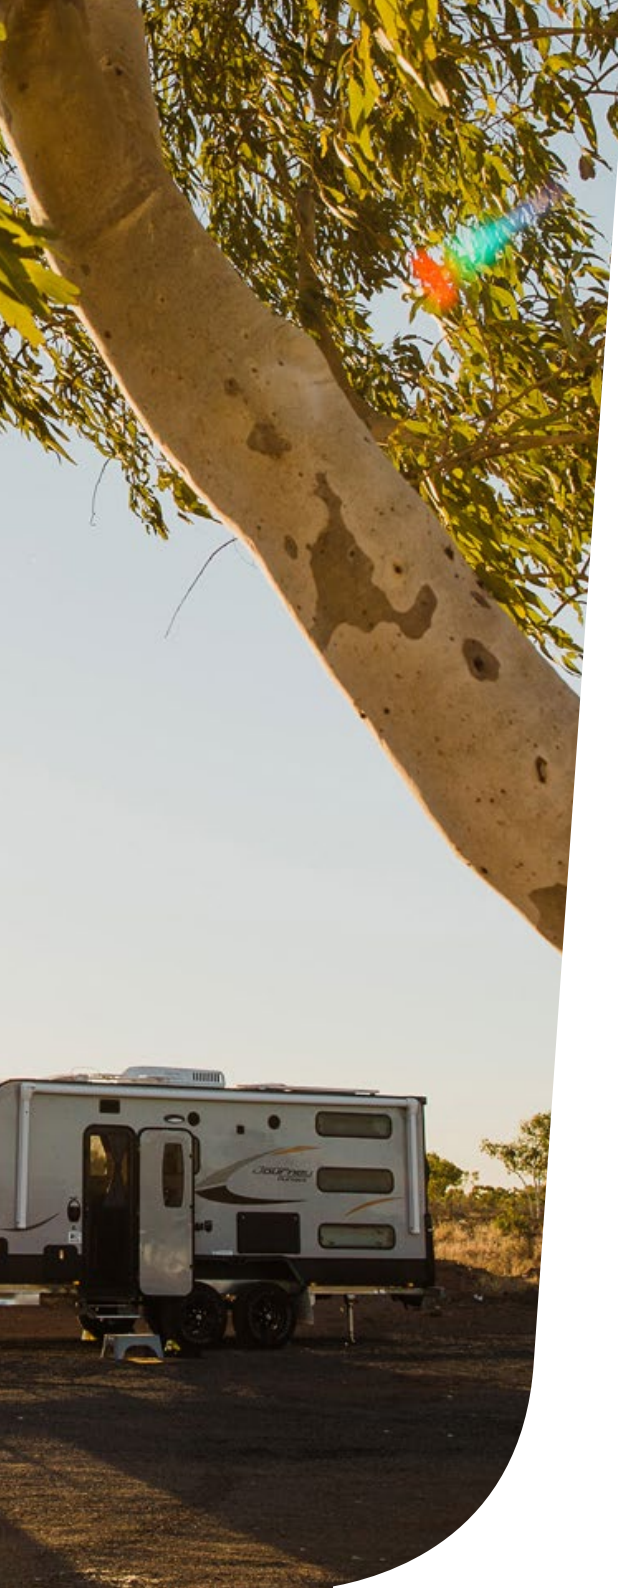

Connectivity comes in the form of your very own personal assistant – Amazon Alexa – now available in a number of Jayco caravans which proved popular when Jayco created a world-first voice-activated production RV with Jayco's Silverline 2019 caravan.

In 2020, Jayco's caravan range is designed for your next adventure to withstand Australian conditions with the introduction of new safety features, whilst in the comfort of Jayco's next generation of caravans.

Adventure awaits in your Jayco caravan.

Image used for illustration purposes only. 2019 model shown.

Kick-start your adventure.

Jayco's 2020 Caravan Range illustrates just how much we know about caravanning, and more importantly, what makes a caravanning holiday great. The three models that make up Jayco's caravan range are designed specifically for Australian conditions and built to withstand hardy conditions due to the premium construction and quality that Jayco is known for. The Jayco Caravan range is everything you need to kick-start your next adventure.

Jayco Starcraft Caravan.

Starcraft Caravan

Fantastic value.

One of Jayco's most popular caravans has made a comeback and it's ideal for people who may be looking to purchase their first caravan. Why buy used when you can buy new?

Jayco's 2020 Starcraft has quite literally taken to the stars with a new futuristic look. Featuring exterior aluminium cladding with market-leading, fully insulated quad-layer walls that comprise of internal wall ply and insulation, aluminium frame, and external 3mm ply making you warmer in winter and cooler in summer.

With a choice of models in this refreshed range, what set's Jayco's Starcraft apart, is the exceptional value for money with comfort and style to match.

Jayco Starcraft offers first-rate value at second-hand prices.

The light and spacious interior for Jayco's Starcraft 2020 has been designed with comfort in mind with a comfortable innerspring mattress and LED lighting opening up space for all to enjoy.

Jayco Starcraft has a functional kitchen with modern cabinetry, a 4-burner gas cooktop and grill and 164 L fridge to keep food cool while on the road.

The fully equipped ensuite comes with all the bathroom comforts you'd expect from home and the special touch of a ceramic basin.

Unbeatable value for money.

The Jayco Starcraft boasts ample living space to create wonderful holiday memories. Equipped with a full ensuite with separate shower and toilet, comfortable innerspring double mattress and a kitchen with ample bench space. The Jayco Starcraft really is exceptional value for money.

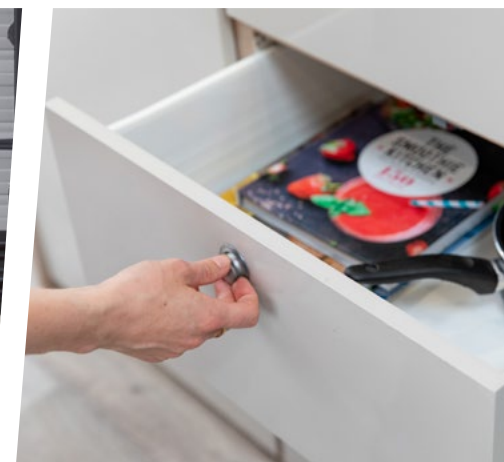

NEW: New features for the Jayco 2020 Starcraft range include upgraded Air conditioner, 164 litre fridge with increased cooling capacity, 4-burner cooktop with griller, awning and new interior colour tones available in a variety of options.

Staying cool is easy with air-conditioning which comes standard.

The inclusion of the tunnel boot allows for even more storage opportunities for all your outdoor entertainment needs.

Ezi Glide drawers provide ample storage in the modern kitchen to keep cookware and utensils securely packed away.

Jayco Journey Caravan.

Australia's Favourite.

Australia's number one caravan – Jayco Journey – is about to get a whole lot more popular in 2020 with the introduction of a number of adventure packed features.

Still offering all the toughness, comfort and exceptional value for money, the Jayco 2020 Journey range offers a range of different floorplans that sleeps between 2 and 6.

A new option for the Jayco 2020 Journey is your very own personal assistant – Amazon Alexa. This means you can turn on and off the lights, turn on the TV, set your air conditioner or check the weather forecast with simple voice commands. This really is caravanning, the Jayco way.

Let's get the journey started in 2020!

Journey Touring Caravan

Journey Outback Caravan

After driving 23,000km around Australia with our three young kids, we can vouch for the Jayco Journey Outback. From Sydney to Townsville, across the centre to Kununnurra, down to Perth, across to Adelaide and back to Sydney, the Jayco didn't miss a beat. Not once. To be able to show our kids these hidden parts of Australia, to be comfortable and safe doing it - that's living at it's finest. We love our Jayco.

Tim Coulson, NSW

New fabrics and tones in Jayco's Journey 2020 range results in a brighter and spacious caravan. Perfect for sitting back and relaxing at the end of the day, soaking up the air-conditioning and enjoying the entertainment system featuring Furrion CD/DVD and 24 inch TV.

Jayco Journey has a functional kitchen with modern cabinetry, 4-burner gas cooktop and grill and a 171 litre fridge.

The fully equipped ensuite comes with all the bathroom comforts you'd expect from home.

It's all about the Journey.

The Jayco 2020 Journey packs above its weight when it comes to mod cons and each Journey caravan comes with air conditioning, a comfortable innerspring mattress and a full ensuite. The modern and spacious kitchen comes with a 171L double-door fridge, four-burner gas cooktop/oven, and plenty of storage for this well-equipped kitchen.

Connectivity is enhanced with the inclusion of the Sphere Wifi which includes GPS, the new look phone app that keeps you on top of your caravan's battery, solar and water levels. There's even a 24' TV/DVD to keep up with all your favourite shows when on the road.

NEW: Additional new features for Jayco 2020 Journey range include an external aluminium step designed to prevent slipping, new interior fabrics and tones to suit your caravanning adventure style and the inclusion of Sway Command for increased safety when driving to your next adventure.

Sphere Wifi including GPS means you can stay connected while out on adventures.

Ample storage flows throughout this caravan and now has a large tunnel boot storage for storing all your outdoor entertaining equipment with ease.

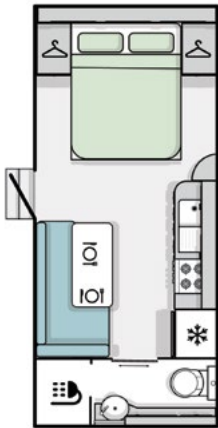

15inch alloy rims and tyres add even more safety features to Australia's most popular caravan.

Jayco Expanda Caravan.

Everything a family needs.

Family adventures are made easy with Jayco's Expanda range and the 2020 range showcases Jayco's innovation at it's finest.

With it's famously recognisable silhouette that is created by the two expandable double beds at each end of the caravan, Jayco's Expanda range makes use of every available space for maximum comfort which we know is a deal breaker when it comes to caravanning with your family.

Designed to sleep between 6 and 9 people, the Jayco Expanda is the ideal range for young families and those looking to upgrade from a camper trailer or purchase their first family caravan.

It's time to expand your holidaying adventures with the new Jayco 2020 Expanda range.

Jayco's 2020 Expanda caravan range includes an awning with LED strip lighting that will take your outdoor adventures from day to evening with ease, an abundance of storage with optional large slide out storage drawers and sleek matte black handles and pushbuttons to sum up the new style.

Smart use of space for family-friendly living with maximum comfort and has two expandable double beds with innerspring mattresses at each end of the caravan.

Modern cabinetry and fixtures create an ensuite that brings the comforts of home on the road.

External storage hatches offer ample storage options ideal for larger items for all your outdoor entertaining needs.

Jayco Expanda's feature a spacious and functional kitchen with modern cabinetry, a 4-burner cooktop and grill and a 171 litre fridge.

Fold up the top bunk to open up the play space and convert the table area into an extra bed at night.

Construction you can rely on.

TOUGH FRAME

Jayco's vacuum-bonded quad-layer wall construction technology is both stronger and lighter than the conventional 'timber & tin' aluminium-clad caravan walls. Built on lightweight aluminium frame for extra strength and longevity, Tough Frame provides great thermal and acoustic insulation. The furniture in your Jayco caravan is built on our patented aluminium frame for strength and durability.

- 1 Hail and dent resistant, aerodynamic fibreglass exterior with high gloss finish.
- 2 External 3mm plywood board to increase structural strength.
- 3 Aluminium frame - not timber - for extra strength, plus galvanised plating for secure fitment of internal furniture.
- 4 Internal high-density polystyrene foam for superior insulation.
- 5 Internal 3mm plywood board with polyester coating for maximum durability.

JTECH 2.0 SUSPENSION

Jayco Caravans come with a precision manufactured suspension system (standard on Outback). The specially designed, high-performance JTECH Suspension delivers greater stability, a smoother ride, exceptional handling and increased ground clearance.

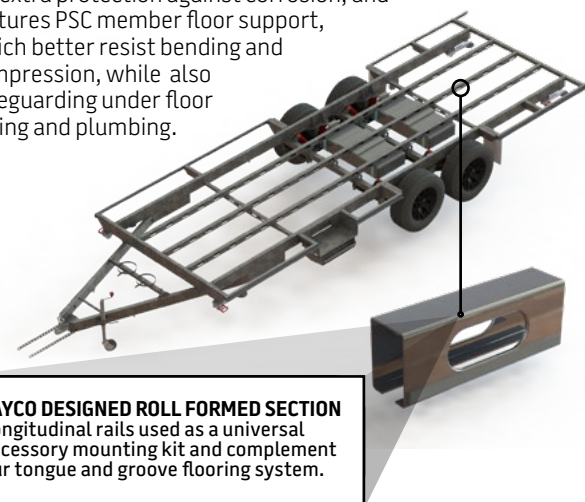

Purpose-built to complement the Jayco Endurance chassis, JTECH independent coil suspension delivers greater stability, precise handling and increased ground clearance for easy and safe towing.

Each JTECH Suspension system includes:

- Electro-coated surfaces for protection against corrosion and stone chips
- Stub axles, bearings and brakes that are suitable for fitment of Lippert Electronic Stability Control
- Large diameter, heavy-duty Pedders off-road shock absorbers and coil springs designed specifically for Jayco RVs and Australian conditions
- Aeon rubber springs inside each coil spring, producing a progressive rate when the suspension is compressed
- Toe-in and toe-out adjustment for wheel alignment

ENDURANCE CHASSIS

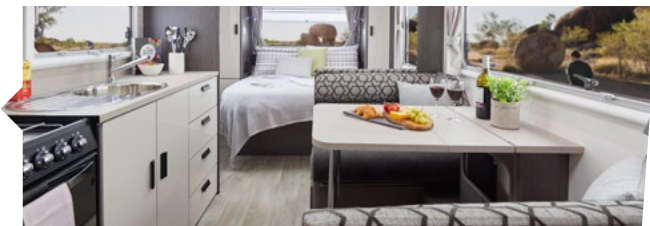

An RV is only as strong as the base on which it's built, so we build our Endurance Chassis to last like no other. Lightweight yet super strong, it's hot dip galvanised for extra protection against corrosion, and features PSC member floor support, which better resist bending and compression, while also safeguarding under floor wiring and plumbing.

ALUMINIUM FRAME

The furniture in your Jayco caravan is built on our patented aluminium frame for strength and durability.

Durability & Design.

OUTBACK UPGRADE

Even if the places you want to get to are a long way off the bitumen, there's no reason why you can't bring a little comfort with you. The Jayco Outback caravan has higher ground clearance, a range of high-strength componentry and specialised features, including:

- JTECH 2.0 Independent Suspension
- 160 W solar panel and regulator
- 100 AMP Hour (A/H) Battery
- 150 mm x 50 mm rectangular hollow-section chassis members
- 125 mm x 50 mm rectangular hollow-section A-Frame
- Off-road electric brake magnets
- Outback drop jacks
- Protective aluminium checker plate on sides
- 15-inch alloy wheels & tyres
- Pull-out single step
- External 12 V auxiliary plug
- External gas bayonet
- Jayco mud flaps
- 8-inch jockey wheel

NOTE: A Jayco Outback upgrade allows towing on limited unsealed roads. Always take care to prepare for unsealed road usage by understanding the road conditions and the associated towing requirements. We also recommend reading your Jayco Owner's Handbook for more information about warranty terms and conditions.

UNRIVALLED COMFORT

Jayco continues to lead the way for Australian RV manufacturing and design and in 2020 the vision remains steadfast – maximise comfort through superior design, the Jayco way.

Uncompromised comfort is showcased throughout our 2020 ranges and is brought to life through innovative design and quality materials.

Jayco continues to innovate Australia's RV industry with an aspiration for Jayco RVs to stand the test of time. This includes style which incorporates design influences from Australia and Europe.

This is unrivalled comfort and superior design – the Jayco way.

Safety you can trust.

NITROGEN-FILLED TYRES

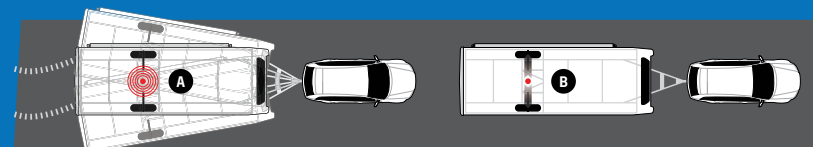

Nitrogen keeps your tyres as cool as possible and helps maintain a constant tyre pressure even in hotter weather, reducing the risk of blowouts.

Sway command® tow control technology

Safety first, with Lippert Sway Command® Tow Control Technology

- A** Critical swerve or sway is detected.
- B** Sway Command® Tow Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle. The sway is stopped and the caravan brakes are released.

BREAKAWAY SYSTEM

If a caravan accidentally separates from the tow vehicle, the system will activate the electric brakes and brake lights.[^]

[^] Model specific

Optional Features.

We believe your caravan should be uniquely your own. That's why Jayco offers the option upgrade to suit your needs - from choosing fabrics, bike racks and Alexa voice command TV for when you're ready to reconnect.

The best way to transport your two wheels is on a rear-wall bike rack.[^]

Solar panels will keep your batteries charged when no power is available.

With a satellite dish, you'll never miss your favourite TV show or a Grand Final.

The external picnic table is perfect for enjoying meals outside without bringing along a portable table.

Ban hand washing with a compact washing machine in your RV.[^]

Take the stress out of reversing your caravan with a reversing camera.[^]

Amazon Alexa: A personal voice assistant that allows you to voice command a number of basic tasks such as turning your caravans lights on and off, gaining access to weather forecasts and recipes.

The Jayco difference.

Jayco is Australia's leading RV manufacturer and for 45 years has pioneered the RV and caravan industry in Australia, resulting in Jayco being one of the country's most recognised brands known for its innovation advancements in creating quality and affordable recreational vehicles.

AUSTRALIAN MADE

Designed and built by Australians, for Australians to take on the Australian terrain, all Jayco RVs proudly wear the Australian-made logo.

GREAT RESALE VALUE

Jayco RVs keep their value exceptionally well and are considered to be a long-term investment.

BETTER VALUE

As the largest Australian RV manufacturer, Jayco has greater buying power and passes the savings on to our customers, delivering more features for less.

LARGEST SUPPORT NETWORK

No matter where your adventure takes you, Jayco's extensive service network will be nearby to assist in the unlikely event that a priority repair is required. With **126 National Jayco Service Agent Representatives located around Australia**, the expertise or spare parts you need are never far away to help and is the most comprehensive RV service offering in Australia. Jayco assist is with you every step of the way. That's caravanning, the Jayco way.

FINANCE THE DREAM

Financing your next adventure is easy and Jayco offers a number of finance options through Jayco Financial Services. This means we can provide a variety of loan options such as flexible loan terms from one to seven years, competitive finance deals, quick and easy approval, all supported by Jayco's exceptional customer service.

INSURANCE

Jayco Platinum Insurance provides competitive premiums and market leading cover that is available at all Jayco dealerships or can be accessed online providing an easy to use and quick quoting portal. Whether you take your caravan on short holidays or year long travels, we can tailor a policy to suit your caravanning needs.

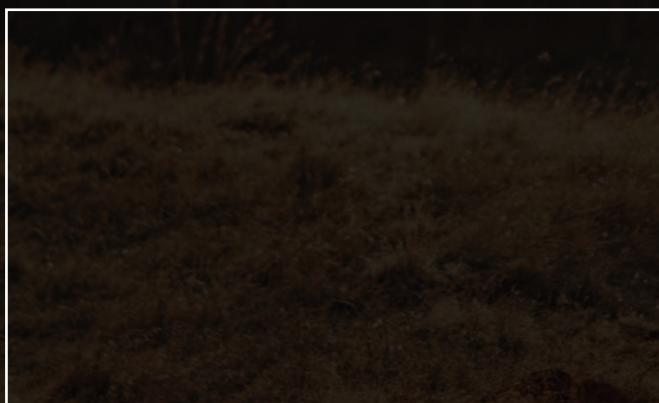

It's clear that Jayco is one of Australia's most impressive manufacturers and takes great pride in producing a range of the highest-quality products. We are just as proud to have the Jayco brand aligned with the Australian Made logo.
