Jayco

Your ADVENTURE

SILVERLINE

2018

AUSTRALIAN MADE®

The moment you lay eyes upon the Jayco Silverline, you know that there's something *very special* about it...

... and it *only gets better* the closer you look.

You'll love the comfort, style and space...
The long list of features includes the fabrics, finishes and accessories of your choice. A variety of floorpans can be personalised to your taste.

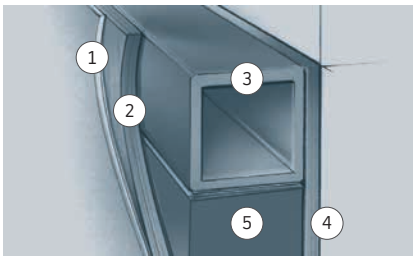
Enjoy cooking meals in the generously-sized kitchen equipped with high-end appliances. Feel like you're at home with the comfort of the large shower, modern vanity and 3 kg washing machine.

JAYCO CONSTRUCTION

Interlocking roof system

TOUGH FRAME

Jayco's multilayered, vacuum-bonded walls are both stronger than those of conventional 'timber & tin' aluminium-clad caravans, and offer greater thermal and acoustic insulation. Silverline models feature our 5-layer system, comprising internal wall ply, insulation, aluminium frame, external 3 mm ply and high-gloss fibreglass exterior, as illustrated.



1. Hail-and dent-resistant fibreglass exterior with a high-gloss, gel-coat finish
2. External 3 mm plywood board to increase structural strength
3. Aluminium frame – not timber – for extra strength and longevity, plus galvanised plating for secure fitment of internal furniture
4. Internal 3 mm plywood board, CE-coated for maximum durability
5. Internal high-density polystyrene foam for superior insulation

STREAMLINE CHASSIS

A caravan is only as strong as the base on which it's built, so we build our Streamline Chassis to last like no other. Lightweight yet super strong, it's hot-dip galvanised for lifelong protection against corrosion and better resistance to bending and compression, while also safeguarding underfloor wiring and plumbing.

At Jayco, we are committed to investing in newer, more advanced technology. This allows us greater flexibility in producing exciting new layouts. For example, our million-dollar investment in the custom Italian-built Double Edge banding machine, allows us to maximise operational efficiency by edging two sides at once.

With over 12 CNC machines, Jayco has one of the most technologically advanced timber processing facilities in the RV industry.

And to top it off, Jayco's lamination press is situated in a world-first, dust-free, temperature controlled room, allowing for optimal lamination of the highest quality.

AUSTRALIAN MADE

JAYCO FEATURES

● Standard
○ Optional
– Not available

	Touring	Outback
Appliances		
Air conditioning - Dometic Harrier	●	●
Cooktop - 4-burner oven with 1 x 240 V element (with flame failure device)	●	●
Fridge - Dometic RUA8 216 L touch panel 3-way	●	●
Heating - Truma Gas Ducted	○	○
Hot water service - 22 L Gas/240 V operation	●	●
Microwave	●	●
Rangehood - 12 V LED light with twin fans	●	●
Satellite - Sphere dish	○	○
Stereo - DV3300 CD/DVD/Radio with ext speakers	●	●
TV Aerial - 12 V power boosted	●	●
TV Sensor Pro	●	●
TV/DVD - LED 12 V (24")	●	●
TV/DVD - LED 12 V (24") Pop Up Module^	○	○
Washing machine - 3 kg	●	●
Comfort		
Bed linen - doona & pillows	●	●
Beds - lift- up with storage & orthopaedic slats (extending 150 mm for double beds)	●	●
Dinette seating in genuine designer leather	●	●
Mattress - premium innerspring (N/A bunks)	●	●
Seat Foam - highly resilient with antibacterial finish	●	●
Construction		
Chassis - main members 6"	●	●
Chassis - Streamline hot-dip galvanised	●	●
Furniture - Euro style with aluminium corners & seat framing	●	●
Roof - sandwich construction, one-piece fibreglass skin	●	●
Walls - fully insulated Toughframe, hail-and dent-resistant	●	●
Exterior General		
A-frame extended (200 mm or 300 mm, model-dependent)	○	○
Awning - Carefree Rollout with LED strip light	●	●
Awning walls	○	○
BBQ - slide-out^	○	○
Bike racks - A-frame mounted (A-Frame extension required)	○	○
Bike racks - rear-mounted^	○	○
Boot - front with large storage & gas strut assisted	●	●
Bumper Bar (RHS galvanised to Outback Models)	●	●
Checkerplate - protective black side bottom panels	–	●
Checkerplate - storage boxes	–	●
External entertainment unit	●	●
Front & rear fibreglass smooth modern styling	●	●
Gas bayonet	●	●
Gas bottle 9 kg - slide-out x 2	●	●
Grey Water tank	○	○
Jacks - corner supports AL-KO drop	●	●
Jockey wheel to centre of A-Frame	●	●
Lights - LED annex	●	●
Lights - LED door handle	●	●
Mudflaps - Jayco	○	●
Pebbleguard stone protection at front	●	●
Plug car 12 pin	●	●
Power - 240 V weather proof outlet (double)	●	●
Rear camera	○	○
Reversing camera - single	●	●
Dual reversing & rear cameras	○	○

	Touring	Outback
Shower - External including pop-up tent	○	●
Side view camera	●	●
Solar System - 2 x 120 W & regulator	○	○
Solar System - 1x 160 W & regulator	●	●
Solar System - 2 x 160 W & regulator	○	○
Step - single pull-out	○	●
Stoneguard - A-Frame full-width	–	●
Suspension - JTECH Air Suspension	○	–
Suspension - JTECH Suspension Independent Coil	●	●
Table - external fold-out	●	●
Tap - mains pressure to A-frame	●	●
Water tank - 2 x 82 L under-floor with guard	●	●
Water tank - additional 82 L with guard	○	○
Wheels - 16" 245/70R16	–	●
Wheels - alloy with radial tyres including spare	●	●
Wheels - nitrogen-filled	●	●
Window shield - front with gas assisted struts	●	●
Interior General		
Battery - 100 AMP deep cycle	●	●
Battery - Setec 12 V/240 V management system	●	●
Battery - Lithium 1 x 100 AMP	○	○
Battery - additional 100 AMP AGM	○	○
Bed - double 1490 mm wide	●	●
Bed converter	○	○
Control panel - J-Hub tablet display	●	●
Curtains - full-width rubber backed	●	●
Doors - overhead curved 2-tone gloss	●	●
Drawers - Soft close EziGlide incl large pot drawers	●	●
Hatch roof 700 mm x 500 mm with LED lights	●	●
Lights - ceiling 12 V LED	●	●
Lights - LED strip to underside of selected overheads	●	●
Lights - reading 12 V at bed	●	●
Locks - positive to cupboard doors	●	●
Pantry - Lazy Susan^	●	●
Pantry - pullout 3 Tier^	●	●
Power - 12 V socket (internal and external)	●	●
Power point with intregrated USB port	●	●
Shower - modern design enclosed with exhaust fan	●	●
Sink - square stainless steel large bowl with removable drain/ chopping board	●	●
Slide-out bed and/or slide-out lounge^	●	●
Splashbacks to kitchen area (side kitchens only)	●	●
Tap - mains pressure to sink	●	●
Toilet - ceramic bowl	●	●
Towel rails to full ensuite	●	●
TV point	●	●
Vanity - modern design^	●	●
Windows - double-glazed Euro push style with roller blinds	●	●
Safety		
Brake magnets - off-road	–	●
Brake unit - Tow Secure Emergency	●	●
Brakes - electric	●	●
Door - external triple lock with security screen (Dometic)	●	●
ESC - AL-KO Electronic Stability Control device	●	●
eZylevel levelling device	○	○
Water filler - lockable	●	●

SILVERLINE

JTECH AIR

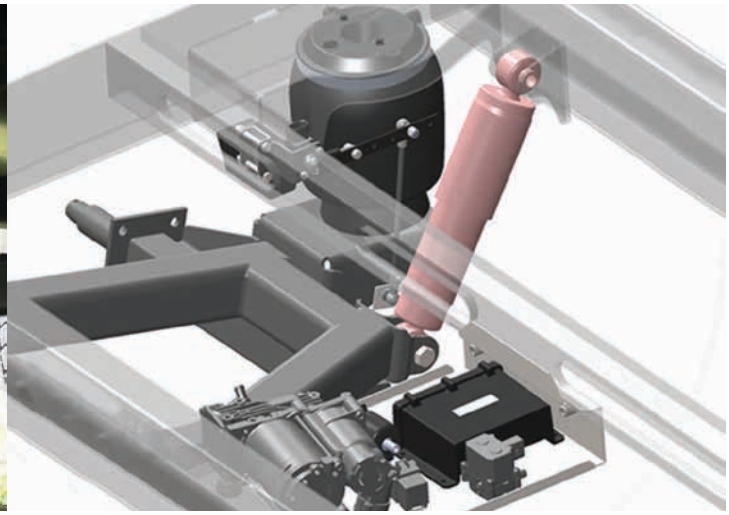
All-new JTECH Air suspension gives you the stability and ride comfort of a touring van with the safety and handling of an outback model. Designed to make towing easier, the automatic speed sensor resets your caravan's height to optimal drive height on the road.

Set up is easier, too. With the hand-held controller, you can easily raise the Silverline's height when needed and lower it for easier storage.

JTECH Air is optional on all Silverline Touring Models.

HEIGHT CLEARANCE:
With a touch of a button, raise the Silverline for an increased departure angle to keep you moving over rougher terrain.

SIDE TO SIDE LEVELLING:
The JTECH Air makes levelling a breeze. Push-button operation allows you to adjust side-to-side levels.



JTECH SUSPENSION

The Jayco Silverline comes with a precision manufactured suspension system. The specially designed, high-performance JTECH Suspension delivers greater stability, a smoother ride, exceptional handling and increased ground clearance.

Purpose designed to complement the Jayco Endurance Chassis, JTECH Suspension replaces beam axles with individual stub axles, allowing each wheel to react independently to the road surface, while lessening the chassis' unsprung weight. JTECH Suspension makes towing easier and safer than ever before.

This is the product of two-years' research and development at Jayco's Melbourne headquarters, and countless kilometres of real-world testing across the best and worst of Australian roads.

JHUB CONTROL PANEL

JHUB gives you total control of your RV. This all-in-one control panel brings together the next generation of RV technology in one central, easy-to-use interface.

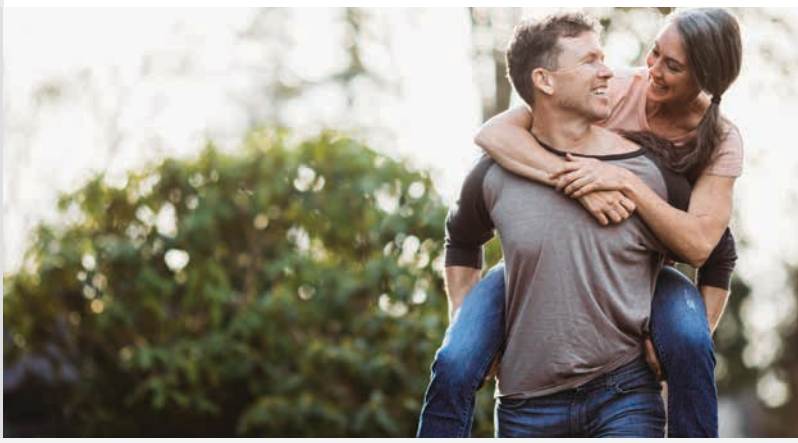
The control panel gives you easy access to all features of your Silverline's power, climate and water systems.

You can:

- See, at a glance, how quickly your battery power is being used and what's using it
- Check current solar charge rates
- Change settings on the water heating and lighting systems
- Check the levels of the fresh and grey water tanks
- Monitor the Silverline's temperature

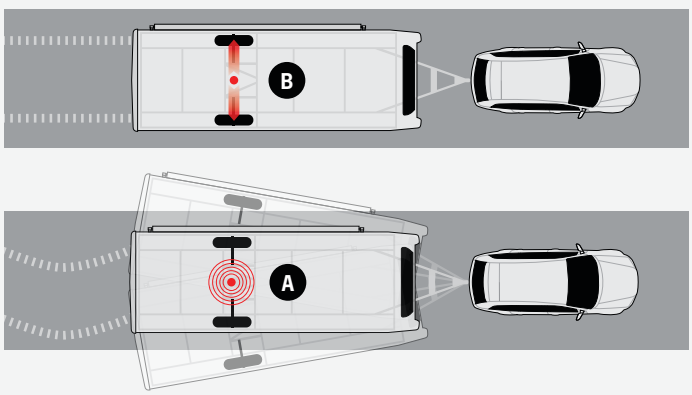
Each JTECH Suspension system includes:

- Electro-coated surfaces for optimal protection against corrosion and stone chips
- Stub axles, bearings and brakes that are suitable for fitment of AL-KO Electronic Stability Control
- Large diameter, heavy-duty Pedders off-road shock absorbers and coil springs designed specifically for Jayco RVs and Australian conditions
- Aeon rubber springs inside each coil spring, producing a progressive rate when the suspension is compressed
- Toe-in and toe-out adjustment for wheel alignment



SAFETY ESC

SAFETY FIRST,
WITH OPTIONAL AL-KO ELECTRONIC STABILITY CONTROL



A Critical swerve or sway is detected.

B Electronic Stability Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle. The sway is stopped and the caravan brakes are released.

JAYCO FLOORPLANS

1. Extended lift-up bed
2. Bed
3. Overhead storage
4. Seat
5. Table
6. Club lounge
7. Microwave
8. Fridge
9. Pantry
10. Storage

JAYCO OPTIONS THAT ADD A PERSONAL TOUCH

Personalise your adventure with optional extras that make your Jayco as individual as you are. Here are just a few:

01 External shower, including pop-up shower tent, keeps dirt and sand outside (standard on Outback)

02 Lockable, easy-load bike racks (select floor plans only) for two full-sized bicycles

03 High-gain satellite dish to access your favourite free-to-air TV shows

04 eZylevel takes the guesswork out of leveling and gets it right the first time

05 With a slide-out BBQ you can entertain while you cook

DON'T JUST CHOOSE YOUR OWN ADVENTURE...

...choose from a number of floor plans and high-quality extras to make your Jayco your very own. Each personalised option gives you more, takes your further and performs seamlessly with your Jayco. All options designed to make your home away from home fully customized, comfortable and adventure ready.
