

TOUGH YET COMFORTABLE JOURNEY

22.68-3

EXCEPTIONAL VALUE FOR MONEY

Our most popular caravan makes it all about the journey. The Jayco Journey is perfect for packing up and hitting the hidden secrets around Australia.

Tough yet comfortable, and exceptional value for money the Jayco Journey 22.68-3 2019 sleeps 2 people. They are built to last with Jayco's multilayered, vacuum-bonded fibreglass walls. Hail- and dent-resistant, the Jayco Journey caravan walls offer great thermal and acoustic insulation.

Outback Upgrade: Considering going off the beaten track? All Jayco Journey caravans can be upgraded to an Outback model, featuring:

- higher ground clearance for towing in rugged conditions
- 150mm chassis
- JTECH independent coil suspension
- 120 W solar panel
- protective aluminium checkerplate on sides
- AL-KO outback drop jacks

The tow ball and tare weights are only a guide and will change depending on accessories that are fitted to your van, it is advisable to discuss this with your Jayco representative. Jayco allow an amount of additional weight (Carrying load) for each individual unit manufactured above the initial manufactured Tare weight of the unit. This 'Carrying load' is for the customers individual weight requirements and can be made up of 'any' additional weight they propose to load the unit up of, ie water, food, clothes etc. The standard unit carrying loads Jayco apply are; Single Axle, internal shower units 375kg. Tandem Axle, internal shower units 475kg. Appearance and features may vary.
