Kirra Beach Tourist Park

At Gold Coast Tourist Parks we are committed to creating extraordinary holiday experiences for everyday people. We aim to welcome guests with the highest level of customer service and hospitality, regardless of their individual needs.

We are committed to ensuring everyone is able to enjoy their holiday and have the best knowledge to make an informed decision on their stay. In the spirit of inclusion and equal access, we are providing the following information that accurately describes the accessibility of the facilities provided at our Tourist Parks.

Parking

Access from the car park to the main entrance is clear and level. Out front of reception there is also an undercover "drop off" zone.

Reception

Access to reception/kiosk is level and entry doors are automatic opening (880mm wide). Flooring is slip-resistant. A split level reception desk accommodates guests using a wheelchair. The lower desk height is 940mm. Outdoor seating is available. Information on local services beneficial to guests travelling with a service animal, is on hand. All printed material may be requested in larger print. Staff are trained in accessibility awareness and the resident manager is available for emergencies after hours.

Recreational Areas

For social gatherings and activities, guest facilities include a recreation room and camp kitchen. Level pathways approach both facilities, and entry widths are adequate for wheelchair access. The accessible path to the camp kitchen is 1200mm wide. The path leading to the pool area is 1020mm wide.

Guests may relax in the recreation room, where television and coin operated gaming machines are available. At this facility, there is an indoor bench around the room that is 730mm high. The sink height is 910mm. In the fully equipped camp kitchen, picnic tables (height 760mm) with bench seating are available, so there's no excuse not to linger and socialise. The barbecues are 960mm high and the sinks 990mm high.

Getting around the Park

Mobility is made easy throughout the park grounds via the internal network of roads and pathways. These are suitable for users of wheelchairs, prams and mobility scooters.

Easy Access Bathroom Facility

An easy access bathroom facility is provided within the Park. The doorway width is 740mm and the floor space is 2.6m x 1.86m. Features include a tiled floor, hand rails, hand held flexible shower rose and portable shower stool.

Access is with a key from reception.

Accommodation - Easy Access Villa

Please note that this four-berth villa is not fully D.D.A. compliant but it does have ease of access features that include a ramp leading to the front door for easy wheelchair access, and an equipped bathroom (further details beneath).

Set amongst beautiful landscaped gardens, the easy access villa offers guests privacy and peace during their stay. Features include tiled floors, kitchen bench height of 900mm, bed height 550mm and light controls within reach of the bed. The master bedroom doorway is 800mm wide and to the bathroom, 770mm wide. Hand rails are conveniently placed to bathroom basin, shower and toilet use. The toilet is 480mm high. The shower space measures 1.07m x 1m. An extendable shower head, lever operated taps and a portable chair are provided. The television has captions enabled.

Coolangatta oceanway

Just 1km east of our Park, guests may access the coastal oceanway footpath. The spectacular outlook from this esplanade may be enjoyed over a stretch of path exceeding 5km. Although mainly level, there are hills along the way, refreshment kiosks, and four Surf Lifesaving Clubs. Highlights are the inspiring views and fresh sea breezes. Bench seats are dotted along the pathway which continues through to the heights of Point Danger. This rewarding end point is well worth the effort.
