egg®

'The inspiration behind the stroller comes from the 'egg', which is of course richly symbolic, connoting birth, warmth, shelter and sustenance.'

LOVE /01

From the moment your baby is born, the urge to love, nurture and protect comes from nowhere and fills your heart with overwhelming feelings of love.

At egg we understand these feelings, which is why the egg stroller has been designed in the UK with the up-most care and attention to detail.

The inspiration behind the stroller comes from the 'egg', which is of course richly symbolic, connoting birth, warmth, shelter and sustenance.

With its soft touch fabrics, smooth curves and continuous lines, the egg stroller exudes style and class. These fabulous looks go hand-in-hand with outstanding engineering, creating the perfect ride for baby and ultimate ease of use for you.

'At egg we recommend your baby is in a lie-flat position for the first six months. to aid organ and spinal development'

FUNCTIONALITY /02

The egg offers outstanding functionality... the three position recline seat unit can be fitted either parent or forward facing. Parent facing is perfect for interacting with your baby in the early stages which can benefit your baby's speech development. Forward facing lets your growing child explore and experience the big wide world. Tested to carry up to a maximum weight of 25kgs the egg stroller also comes with a 24 month warranty (see page 41).

The egg has been fitted with Tru-Ride Technology® non-puncture tyres which have been engineered for comfort, superior handling and added durability.

The one-hand fold chassis is compact and free-standing when folded, it features all-around suspension and has a five position handle height to suit your height perfectly which will ultimately benefit your posture.

A lie-flat carrycot can be purchased as an optional extra, which is suitable for occasional overnight sleeping and comes complete with padded liner and mattress. At egg we recommend your baby is in a lie-flat position for the first six months to aid organ and spinal development.

At egg, our commitment to you is to equip this premium product with the best in quality tyres. Featuring Tru-Ride Technology®, these PU Polymer tyres have been engineered to offer comfort and durability. Tyres last three times longer than more commonly used EVA, offer superior handling and give a smoother ride for you and your child.
