

CARAVANS 2019 SERIES

WELCOME TO OUR NEW 2019 RANGE

This is one of the most exciting times in our 44-year history. Jayco is known for innovation and taking caravan design and your holiday relaxation to the next level. This year, we are proud to introduce to you a range of technology-led features that are designed to enhance your holiday.

We've listened to our owners and partnered with exciting market-leading technology innovators such as Amazon and BMPRO to make the operation of your van effortless. GPS tracking allows you to find your van if stolen; lights are switched on by voice commands; awnings can be operated from your smartphone - our clever solutions will help you enjoy your downtime even more.

Some of the new features are optional on our Freedom, Journey and Expanda caravan ranges, but take a look at the new Silverline – the new benchmark in luxury living on the road. Ask us about RVConnect – Jayco's exclusive collection of technology options that enhance your RV lifestyle.

We have taken our inspiration for this year's interiors from the landscapes of Australia, providing a soothing backdrop for any great Australian road trip, large or small.

When you buy a Jayco, you can relax – it's full of engineering expertise. All our products are designed by Australians, made locally with the challenging Australian conditions in mind.

As life takes you on the road, let Jayco be your partner in adventure with your choice of our new 2019 Caravan collection.

Enjoy.

JAYCO FREEDOM

Why buy second-hand when you can afford new? Jayco Freedom provides exceptional value for money and the uncompromising standards of Jayco products. To step into caravan lifestyle, look no further.

With a choice of two floor plans, Jayco Freedom boasts ample living space to create wonderful holiday memories.

Market-leading, fully insulated quad-layer walls comprise of internal wall ply and insulation, aluminium frame, external 3 mm ply and external aluminium cladding, making you warmer in winter and cooler in summer.

Each product in the Jayco Freedom range has all the necessities for uncomplicated camping with a price point to match. The awning with LED strip lights extends your living space to the outdoors and protects against the elements.

The Jayco Freedom range provides the perfect solution for travellers looking to step into the world of caravanning.

New Technology: Monitor lights, battery level and water tanks from your phone with the JHub smart phone app*, so you're never caught short.

"Never owned a van before. We had our Freedom for almost a month and we love her - we upgraded from an old camper trailer. She's only been away twice, and we can't wait to have our Freedom do a longer trip. One day we hope to go around Australia in style."

Geo Odger, QLD

GREAT VALUE FOR MONEY

All vans include a functional kitchen with three-burner cooktop, a three-way fridge and modern interior cabinetry. The Jayco Freedom caravan is self-contained with a full ensuite. Roof-mounted air-conditioning units are standard in Freedom caravans. Euro styled interiors with durable commercial-grade fabrics complete a clean, modern look.

The furniture in Jayco Freedom is built on a patented aluminium frame for strength and durability.

Optional Furrion stereo, DVD player and outdoor speakers, TV (plus antenna)/DVD, and an external picnic table will make entertaining easy.

Planning to go bush? Consider the optional 120 W solar panel and 100 Ah battery for peace of mind.

A comfortable place to lay your head at days' end.

Jayco Freedom provides exceptional value for money: ensuite and air conditioner are standard.

All Jayco Freedom caravans have a functional kitchen and modern interior cabinetry.

Jayco Freedom: exceptional value for money and uncompromising standards of caravan lifestyle.

JAYCO JOURNEY

Our most popular caravan makes it all about the journey. The Jayco Journey is perfect for packing up and hitting the hidden secrets around Australia.

Tough yet comfortable, and exceptional value for money, the Jayco Journey has eight different floor plans that sleep between 2 and 6 people. They are built to last with Jayco's multilayered, vacuum-bonded fiberglass walls. Hail- and dent-resistant, the Jayco Journey caravan walls offer great thermal and acoustic insulation.

New for 2019: Control your electric awning and monitor water and power levels from your smartphone via a mobile app*. Now that's comfort!

Outback Upgrade: Considering going off the beaten track? All Jayco Journey caravans can be upgraded to an Outback model, featuring:

- higher ground clearance for towing in rugged conditions
- JTECH independent coil suspension
- protective aluminium checkerplate on sides
- 150mm chassis
- 120 W solar panel
- AL-KO outback drop jacks

Outback Model

"We are currently 6 months into our 18-month lap of Oz. As we are living full-time in our Journey, it has been great to have the space inside: with two active young boys it is a necessity. We love our Jayco as it has helped us to make TIME. Time together as a family. Time to enjoy life and those little moments. Time to explore and adventure."

Ashleigh Umback, QLD

AUSTRALIA'S FAVOURITE: OUR MOST POPULAR CARAVAN

New in 2019:

Control the electric awning from your phone via a mobile app (within Bluetooth range).

Insert a SIM card and enjoy Wi-Fi access for all devices in your Jayco Journey with Sphere Wi-Fi system. If your van goes missing, text it and receive the location of your caravan.

Exclusive to Jayco, the internal control panel JControl provides transparency of your battery and water tanks; you can also access this information on the new JHub phone app.

You can trust Jayco innovation.

JAYCO EXPANDA

Family adventures made easy is the motto of the Jayco Expanda. Designed to sleep between 4 and 9 people, the Jayco Expanda makes use of every available space for maximum comfort. Featuring two expandable double beds with innerspring mattresses at each end of the caravan, the Jayco Expanda offers a clever use of interior space with the towing feel of a standard compact caravan.

The Jayco Expanda caravans are built to last with multilayered, vacuum-bonded brexglass walls that are hail- and dent-resistant and offer great thermal and acoustic insulation. The one-piece, double-stitched tent sections are made in Australia from 14 oz heavy-duty local canvas.

Outback: Have plans that take you beyond the bitumen? All Jayco Expanda caravans come standard as an Outback model featuring:

- higher ground clearance for towing in rugged conditions
- JTECH independent suspension
- protective aluminium checker plate on sides
- 150mm chassis
- 120 W solar panel
- AL-KO outback drop jacks

"I love the sleeping and storage features in the Expanda, especially with a family of 5. The kids pack bikes, scooters, footballs... and I pack fishing gear. When adding a pram, etc for our baby it really does add up. Only the Expanda gives us everything we need in a caravan."

Andrew Saunders, NSW

EVERYTHING A FAMILY NEEDS

Expand your family adventures and go away for weeks at a time with clever storage solutions, plus generous space to cater for modern vacationers. Neutral interiors inspired by the colours of Australia mean you can add personal touches to make Jayco Expanda your own holiday home on wheels.

Other features include a four-burner cooktop and griller and 171 litre double-door fridge, full ensuite, comfortable double beds (with optional bed-end privacy screens to separate yourself from the world), and roof-mounted air conditioner.

HINT: Add an optional 3.3 kg washing machine and ban hand washing clothes on the road forever!

NEW FOR 2019: Never run out of power or water: the new JHub phone app will monitor water usage and the battery's estimated time to recharge as long as you have Bluetooth connection.

The optional Furrion entertainment packages (TV/DVD or Bluetooth stereo with extra speakers), and antenna mean you can reconnect with the outside world- only if you want to!

Smart use of space for family-friendly living with maximum comfort in Jayco Expanda.

Clever bunks: fold up the top bunk to open up the play space and convert the table area into an extra bed at night.

The 2019 Silverline all-new features include:

- Amazon Alexa voice control
- Smartphone app-controlled electric awning with personal presets, operated within Bluetooth range
- New 360-degree cameras: there are no blind spots when towing and parking – a world-first in a production caravan
- New generation of Jayco Endurance chassis: structural integrity and durability with major benefits in weight saving
- New suspension, JTech 2.0: more compact, durable, and reacts better to road undulations, so you can venture further with confidence
- Slide-out external kitchen: live the al fresco life
- Wi-Fi Extender for increased coverage

This sets a new benchmark in technology and luxury.

Touring Model

Outback Model

"We often say that it's like having a modern comfortable apartment with you all the time. We are totally self-contained, that means we can stop anywhere we want in our Silverline Outback. I also love that we have everything you could possibly require in a small home. We have now completed the outer lap of Oz, and I love our Jayco to pieces."

Dixie Lamers, NSW

WORLD'S FIRST VOICE-ACTIVATED CARAVAN

With Jayco Silverline, luxury is at your fingertips. In a world-first production RV, your own personal assistant Amazon Alexa comes standard. Connect to your account, switch on the lights, get the latest weather forecast and control your TV with a simple voice command. This is the next generation of caravan life.

The genuine leather lounge is ideal to relax in whilst catching up with friends and family on Skype. The Wi-Fi extender technology captures available Wi-Fi signals, significantly increasing your range and providing maximum security and mobile internet speed with 4G capability. Charging is a breeze with an electric pop-up power tower with multiple 240 V and USB ports.

The stylish fully-equipped kitchen boasts the class-leading 216L fridge, features chic matte-black tapware and new sought-after subway-tile splashback.

Your premium home-away-from-home comes standard with air conditioning, washing machine and full modern ensuite. A new feature is the Nautilus instant hot water system – never run out of hot water again!

JHub internal control tablet provides complete transparency of your Silverline's onboard features. You can manage lights, view solar, water and battery levels – all from a single touchscreen tablet.

New for 2019: JHub now also comes as a phone app, so you can keep an eye on your RV features from a campsite (within Bluetooth range).

Additional options include gas ducted heating, 32" pop-up TV, and satellite dish. Take your Silverline off-grid with confidence when you add a grey water tank, extra solar panel and 100 Ah battery.

Trust your dreams of adventure to Jayco Silverline. The caravan where luxury comes standard.

What do Jayco Silverline owners say about their caravans?
"The most comfortable, glamorous and well laid-out van."

Pop-up TV.

Winegard Wi-Fi extender increases your Wi-Fi range securely without losing speed.

Nautilus instant hot-water system – never run out of hot water again!

The class-leading 216-litre fridge runs on LP gas, 12 V DC or 240 V mains power.

Australia's first voice-activated caravan.

JAYCO CONSTRUCTION

Tough Frame

Jayco's vacuum-bonded quad-layer wall construction technology is both stronger and lighter than the conventional 'timber & tin' aluminium-clad caravan walls. Built on lightweight aluminium frame for extra strength and longevity, Tough Frame provides great thermal and acoustic insulation.

Endurance chassis

Lightweight yet superstrong, our chassis are hot-dip galvanised for lifelong protection against corrosion. They feature Jayco Pressed Steel C-Section (PSC) floor members which are lighter than conventional box section steel, 300% stronger and resist bending by 175%.

Suspension

Purpose-built to complement the Jayco Endurance chassis, JTECH independent coil suspension delivers greater stability, precise handling and increased ground clearance for easy and safe towing.

Aluminium frame

The furniture in your Jayco caravan is built on our exclusive aluminium frame for strength and durability.

SAFETY YOU CAN TRUST

Safety Electronic Stability Control

SAFETY FIRST, with optional AI-KO electronic stability control

- A** Critical swerve or sway is detected.
- B** Electronic Stability Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle. The sway is stopped and the caravan brakes are released.

Nitrogen-Filled Tyres

Nitrogen keeps your tyres as cool as possible and helps maintain a constant tyre pressure even in hotter weather, reducing the risk of blowouts.

OPTIONAL FEATURES

Cleverly concealed and secured in a cupboard, the TV pops up when you're ready to reconnect.

The best way to transport your two wheels is on a rear-wall bike rack.

The external picnic table is perfect for enjoying meals outside.

Solar panels will keep your batteries charged when no power is available.

With a satellite dish, you'll never miss your favourite TV show or a Grand Final.

External showers are ideal for rinsing off sandy feet before getting inside.

Ban hand washing with a compact washing machine in your RV.

Enjoy caravanning holidays at all times of the year thanks to the gas ducted heating.

ABOUT JAYCO

Proudly Australian Made

For 44 years, Jayco has been helping Australians to have the best caravanning and camping adventures. Caravans and camper trailers, motorhomes and campervans, pop tops, off-road caravans and toy haulers – there's a Jayco for everyone.

Jayco is Australia's largest recreational vehicle (RV) manufacturer. Our vision is to lead the way in RV innovation, not only in Australia but on the global stage. We listen and respond to what our customers need in their RVs to make their holidays effortless.

Every aspect of a Jayco RV is engineered and validated by our Victoria-based Research & Development team. As part of the Jayco Testing Programme, our innovative products undergo weeks of testing in lab and real-life conditions before being released to market.

All our products are designed by Australians, with the harshest Australian conditions in mind. Each Jayco is proudly made in Australia, in our state-of-the-art factory in Dandenong, VIC.

Australia's most recognised brand for quality and affordable RVs, Jayco is a great success story of Australian manufacturing. Employing over 1,000 people, Jayco continues as a locally-owned family business.

"It's clear that Jayco is one of Australia's most impressive manufacturers and takes great pride in producing a range of the highest-quality products. We are just as proud to have the Jayco brand aligned with the Australian Made logo." – Ben Lazzaro, Chief Executive, Australian Made Campaign Ltd
