

CAMPER TRAILERS 2019 SERIES

WELCOME TO OUR NEW 2019 RANGE

This is one of the most exciting times in our 44-year history. Jayco is known for innovation and taking vehicle design and your holiday relaxation to the next level. This year, we are proud to introduce you to our new Camper Trailer range, packed full of engineering innovation.

We've listened to our owners and partnered with some exciting suppliers to deliver an updated simple, yet sophisticated range of camper trailers for the unpretentious explorer. These are very clever campers.

Your choice of five different floor plans, smart storage options, neat design and easy towing make these the natural choice for the outdoor type.

Try our new smartphone app to monitor your battery and water consumption*, perfect for those who want to go bush for a few days or weeks at a time.

Our rugged and practical styling takes its inspiration from the landscapes of Australia, the perfect canvas for you to add your own accessories and soft finishes to make it your own.

When you buy a Jayco, you can relax – it's full of engineering expertise. All our products are designed by Australians, made locally with the challenging Australian conditions in mind.

As life takes you on and off the road, let Jayco be your partner in adventure with your choice of our new 2019 Camper Trailer range.

Enjoy.

JAYCO CAMPER TRAILERS

Camping is a rite of passage for Australians. It’s a moment in time to create memories and explore the beautiful outdoors. Jayco camper trailers provide all the highlights of camping, with all the comforts of home.

Five Jayco camper trailer models give you options to choose your perfect first RV, right the first time. Floorplans are designed to suit couples as well as families up to seven.

Holidays should be simple – our camper trailers are small to tow, easy to set up and big to live in. This really is camping, the Jayco way.

NEW in 2019: Large boot to take all your holiday gear.*

Exclusive to Jayco: Inflatable annex for set-up in minutes.

Outback Upgrade: Have plans to head off the beaten track? All Jayco camper trailers can be upgraded to an Outback model, featuring:

■ higher ground clearance for towing in rugged conditions	■ added strength
■ JTECH independent suspension	■ 100Ah battery
■ protective aluminium checkerplate on sides	■ AL-KO outback drop jacks

“Beach camping is my family’s favourite, and we can do that in luxury with our Jayco Swan Outback. We love that we can easily camp off-grid for days with ample power and water. Owning a Jayco has been a dream come true for us and brought us all so much closer as a family.”

Michelle Burger, WA

SMALL TO TOW, BIG TO LIVE IN

Enjoy a seamless transition from the comforts of home to making memories on the road.

With neutral tones and Euro style furniture, your holiday home-on-wheels is modern and cosy. But it's not all about the looks. The sturdy furniture is built on Jayco's exclusive aluminium frame for the strongest furniture on the market; the parts are screwed together, not stapled; and all fabrics are commercial-grade and highly durable.

Jayco camper trailers cater for all the practical necessities families need. The well-equipped kitchen includes a 3-way fridge, plus plenty of storage, to keep all things handy. Feel right at home cooking on the four-burner cooktop and griller (N/A Swift).

You may be off-road, but you can stay in touch with your social networks, with technology features including USB charging ports.

And when the fresh air has worn everyone out, you will appreciate the innerspring mattresses supporting a solid night's sleep.

HIGH TECH: New for 2019. Sit back, relax and download the new Jayco smartphone app to monitor water and battery levels from one intuitive app on your phone.*

Generous, light interior makes you feel part of the outdoors.

There's plenty of storage for all your gear with the large front boot (N/A Swift).

Comfortable double beds with innerspring mattresses ensure a restful holiday sleep after a day spent outdoors.

Furrion speaker^ dock with USB - a seamless connection point for all your entertainment on the move.

BMPRO battery management system prevents the battery from being overly discharged.

JAYCO CONSTRUCTION

Endurance chassis

Jayco's lightweight Endurance Chassis is hot-dip galvanised for lifelong protection against corrosion. It features Jayco Pressed Steel C-Section (PSC) floor members which are lighter than conventional box section steel, 300% stronger and resist bending by 175%.

Maxiframe

All Jayco camper trailers are built with Jayco Maxiframe: a quad-layer aluminium frame wall construction technology that is both stronger and lighter than those of conventional 'timber & tin' aluminium-clad campers. The roof is made of a single piece of hail- and dent-resistant fibreglass.

* Outback models only

Suspension

Purpose-built to complement the Jayco Endurance chassis, JTECH independent coil suspension delivers greater stability, precise handling and increased ground clearance for easy and safe towing.*

Aluminium frame

The furniture in your Jayco caravan is built on our exclusive aluminium frame for strength and durability.

Tent section

The tent sections are made from Australian heavy-duty 14 oz canvas; they are double-stitched for extra durability.

SAFETY YOU CAN TRUST

Safety Electronic Stability Control

SAFETY FIRST, with optional AI-KO electronic stability control

- A** Critical swerve or sway is detected.
- B** Electronic Stability Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle. The sway is stopped and the caravan brakes are released.

Nitrogen-Filled Tyres

Nitrogen keeps your tyres as cool as possible and helps maintain a constant tyre pressure even in hotter weather, reducing the risk of blowouts.

OPTIONAL FEATURES

Create your personal outdoor space in minutes with an inflatable annex.

Furrion stereo package with internal and external speakers delivers high-quality sound.

Solar panels will keep your batteries charged when no power is available.

External showers are ideal for rinsing off dirt and sandy feet before getting inside. Hint: great for washing dogs, too.

External slide-out kitchen is easy to pull out and stow away after use (N/A Swift).

ABOUT JAYCO

Proudly Australian Made

For 44 years, Jayco has been helping Australians to have the best caravanning and camping adventures. Caravans and camper trailers, motorhomes and campervans, pop tops, off-road caravans and toy haulers – there's a Jayco for everyone.

Jayco is Australia's largest recreational vehicle (RV) manufacturer. Our vision is to lead the way in RV innovation, not only in Australia but on the global stage. We listen and respond to what our customers need in their RVs to make their holidays effortless.

Every aspect of a Jayco RV is engineered and validated by our Victoria-based Research & Development team. As part of the Jayco Testing Programme, our innovative products undergo weeks of testing in lab and real-life conditions before being released to market.

All our products are designed by Australians, with the harshest Australian conditions in mind. Each Jayco is proudly made in Australia, in our state-of-the-art factory in Dandenong, VIC.

Australia's most recognised brand for quality and affordable RVs, Jayco is a great success story of Australian manufacturing. Employing over 1,000 people, Jayco continues as a locally-owned family business.

"It's clear that Jayco is one of Australia's most impressive manufacturers and takes great pride in producing a range of the highest-quality products. We are just as proud to have the Jayco brand aligned with the Australian Made logo." – Ben Lazzaro, Chief Executive, Australian Made Campaign Ltd
